

Making it Easier to Find the Right Care

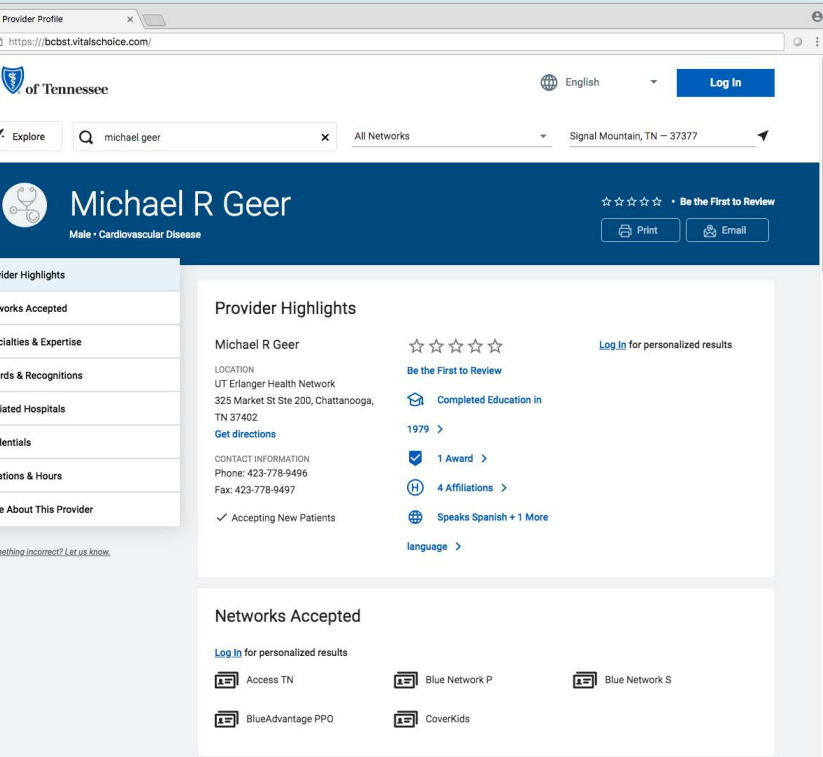

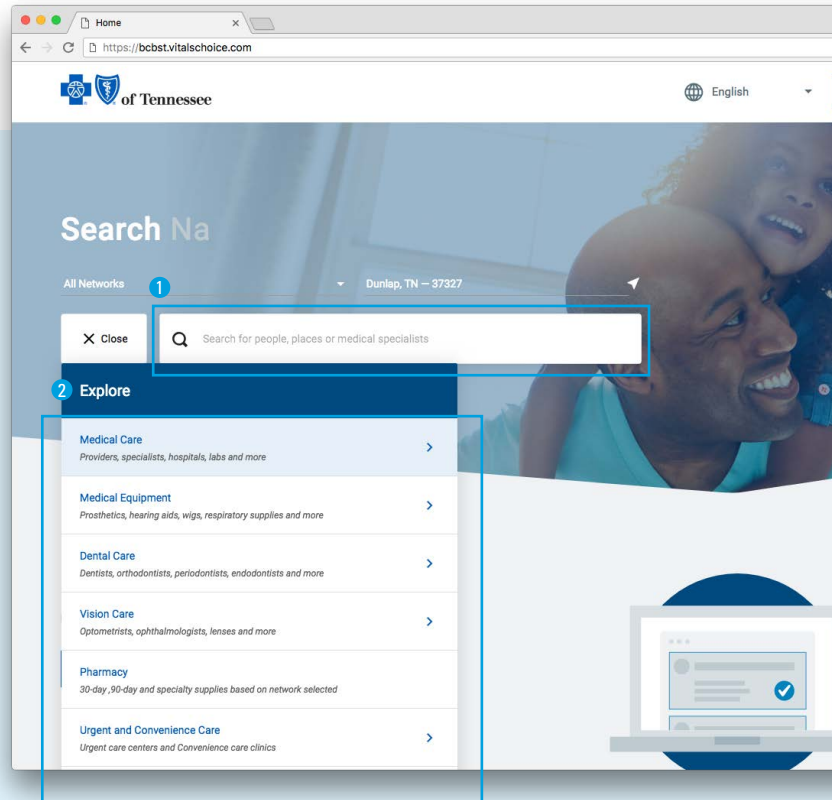

Finding health care can be time consuming, so we're making it easier for you. We've updated our online Find a Doctor tool.

Here's what's new:

Easily shift between [site search](#) and a [guided explore](#) option

The tool uses a search results view, similar to other familiar online search experiences.

Providers' information is organized in an easy-to-read snapshot view, focusing on key information:

- Location & Hours
- Networks Accepted
- Areas of Specialty

To use our improved Find a Doctor tool, log in to your BlueAccessSM account at bcbst.com.
