GLP-1 COVERAGE CHANGE

Your weight management GLP-1 coverage is changing

Here's what's changing, how to keep your medication at the lowest price, and how Frontdoor will help you pay for it.

WHAT'S CHANGING

STARTING	NO LONGER COVERED	YOUR OPTION
January 1, 2027	GLP-1s for weight management, such as Zepbound and Wegovy, through the Express Scripts pharmacy benefit	Buy direct from the manufacturer at a lower self-pay price

KEEP YOUR MEDICATION AT THE LOWEST PRICE

1. **Ask your doctor to send your prescription to the manufacturer's pharmacy**
   LillyDirect for Zepbound, NovoCare for Wegovy. The details their office needs are below.
2. **Set up your pharmacy account**
   Watch for a text or email from the pharmacy to create your account.
3. **Pay with your Frontdoor subsidy card and get it shipped home**
   Join Digbi Health, and Frontdoor adds $200 a month toward your medication. See page 2.

How your $200 monthly GLP-1 subsidy works

Digbi Health is Frontdoor's food and lifestyle program, at no cost to members who qualify. Join Digbi, and Frontdoor adds $200 a month to a virtual card you use to pay for your GLP-1.

1. **Enroll and download the app**
   Go to **https://go.digbihealth.ai/frontdoor** to enroll, then download the Digbi app.

2. **Choose the GLP-1 subsidy**
   Select the GLP-1 subsidy option when you enroll and see if you qualify. If Express Scripts approved your GLP-1, that approval counts.

3. **Activate your virtual card**
   Your subsidy card is a virtual payment card from RxSaveCard. Use the activation code Digbi emails you, then complete a quick identity check. It is not a credit check.

4. **Add the rest of your prescription cost**
   Frontdoor adds $200 on the 1st of each month. Unused funds don't carry over. Start checkout to see your total, including tax, and load the rest onto the same card.

5. **Pay at checkout**
   Use your subsidy card as your only payment at LillyDirect or NovoCare, and choose home delivery.

ABOUT THE PROGRAM

Digbi Health lifestyle program

Learn how your body responds to food and the world around you. Digbi includes at-home genetic testing, gut microbiome testing, and glucose monitoring, then gives you food and lifestyle recommendations built for you.

Who can join

Digbi is offered to Frontdoor employees, spouses, and adult dependents enrolled in the BCBS Tennessee medical plan who meet the clinical eligibility criteria.

Cost

No cost to members who qualify, plus $200 a month toward your GLP-1. No monthly activity rule.
