Find Care Before Your Plan Begi

Search the Tandem PPO network as a guest - no member ID required.

NETWORK EFFECTIVE
JAN. 1, 2027

How to search for doctors, hospitals and facilities

Use the public provider directory during open enrollment to review participating providers.

1. **Open Find a Doctor**
   Visit the Blue Shield of California Find a Doctor tool using the button or QR code below.

2. **Continue as a guest**
   Choose a provider-search category, then select Continue as a guest.

3. **Enter your location**
   Enter the California location where you want to search for care.

4. **Choose the network**
   Under plan selection, choose Tandem PPO.

5. **Search and review results**
   Search for a doctor, specialty or facility. You can adjust filters and expand the search radius to review more providers.

Start your provider search

Select the link below or scan the QR code.
