How to search for doctors, hospitals and facilities

Use the public provider directory during open enrollment to review participating providers.

1

Open Find Care

Visit Anthem's Find Care site using the button or QR code below.

2

Use the basic plan search

Choose the option to select a plan for a basic search. No member ID is required.

3

Select the search details

Choose Medical Plan or Network, Missouri, and Medical (Employer-Sponsored).

4

Choose the network

Select Blue Access Choice as the plan or network.

5

Search and review results

Enter a ZIP code, then search by provider name, specialty, facility or type of care.

Start your provider search

Select the link below or scan the QR code.

OPEN ANTHEM FIND CARE

Important: Provider participation can change. Before scheduling care, confirm directly with the provider that they participate in the Blue Access Choice network.
