**GROUP VISION INSURANCE POLICY**  
**THIS IS A LIMITED BENEFIT POLICY**  
*Please read the Policy carefully.*

## PREMIUMS

Premiums are payable in advance by the Policyholder. The first premium is due on the effective date of the Policy. Subsequent premiums are due on the first day of each calendar month thereafter.

The required premium due on each premium due date is the sum of the premiums for all Insureds and their Dependents covered under the Policy. The premiums due will be determined by applying the premium rates then in effect for each plan provided by the Policy to the number of Insured Persons. All premiums are payable to the Company at the Company's home office or to any of the Company's authorized agents.

The premium due may be adjusted due to a change in insurance as requested by the Policyholder or as required by the Company as follows:

1. if an amount of insurance is added or increased during a calendar month, premiums will be increased as of the date the change becomes effective, unless otherwise mutually agreed;
2. if an amount of insurance is deleted or decreased during a calendar month, premium will cease or be decreased at the end of the calendar month in which the deletion or decrease occurred, unless otherwise mutually agreed;
3. if the Policyholder's contribution percentage is changed, premium will be adjusted at the end of the calendar month in which the change occurred, unless otherwise mutually agreed; or
4. if the number of eligible employees increases or decreases by more than 10% premium will be adjusted at the end of the calendar month in which the increase or decrease occurred, unless otherwise mutually agreed.

If premiums are due the Company or premium refunds are due the Policyholder as a result of clerical error or delay in the reporting of dates and/or data to the Company, all premiums or refunds will be calculated at the current rate of premium payment and are limited to a maximum period of the current month plus six months.

**Premium Rate Change.** The Company has the right to change the premium rate on or after the third Policy Anniversary Date. The Company will provide written notice at least 31 days before the date of change.

**Grace Period.** A grace period of 31 days will be allowed to the Policyholder for the payment of each premium due after the first premium. The Policy will remain in force during the grace period. If the required premium is not paid by the end of the 31-day period, the Policy will terminate. The Policyholder will be required to pay premium for the grace period.

**Return of Premium.** The Company reserves the right to rescind the coverage for one or all Insureds due to misrepresentation or fraud on the Policyholder's application, if such misrepresentation materially affected the acceptance of the risk.

If, on the date coverage is rescinded, no claims have been paid under the Policy, the Company will return all premiums paid for such coverage.

The Company reserves the right to deduct from the premiums an amount equal to the claims paid attributed to each Insured Person for whom claims were paid, not to exceed the premium paid for or by such Insured Person, before the remaining premium is returned.

If, on the date coverage is rescinded, claims have been paid under the Policy and exceed the premium paid:

1. the Policyholder is responsible for reimbursing the Company for the benefits paid in excess of the premium paid if the Policyholder committed the fraud or misrepresentation; or
2. the Insured Person is responsible for reimbursing the Company for the benefits paid in excess of the premium paid if the Insured Person committed the fraud or misrepresentation.

## **TERMINATION OF POLICY**

The Policyholder or the Company may terminate or cancel the Policy on the earliest of the following:

1. any date on or after the third Policy Anniversary Date the Company requests termination. Written notice must be provided to the Policyholder at least 31 days prior to termination;
2. any date on or after the date the Company receives the Policyholder's written request for termination;
3. the date the number of persons covered under the Policy does not meet the minimum participation requirements of 10;
4. the date the required premium has not been paid, except as provided in the Grace Period provision; or
5. the date 100% of the eligible employees are not covered when a contribution is not required by the employee.

The Policyholder is responsible for notifying the Insured of the termination of the Policy.

Termination of the insurance of any Insured Person will be without prejudice to any claim originating before the date of termination.

## **CERTIFICATE**

The Company will furnish the Certificate to the Policyholder for the Insured which will set forth the essential features of the insurance coverage.

## **ADDITIONAL INSUREDS**

Insured Persons may be added at any time if they meet the eligibility requirements stated in the Policyholder's application, complete an enrollment form, if required, and pay any required premium.

## **INCORPORATION PROVISION**

The provisions of the attached Certificate and all Rider(s) issued with the Policy or to amend the Policy after the Policy Effective Date are made a part of the Policy.

SCHEDULE OF BENEFITS..... Attached (1A)

## DEFINITIONS

**Allowance** means the benefit amount shown in the Schedule of Benefits that is the maximum amount payable by the Company, subject to the expenses incurred. The Insured Person is responsible for any amounts due above the Allowance. The Allowance cannot be used to satisfy a Copayment.

**Benefit Frequency** means the period of time in which a benefit is payable as shown in the Schedule of Benefits.

The Benefit Frequency begins on the later of the Insured Person's effective date or last date services were provided to the Insured Person. Each new Benefit Frequency begins at the expiration of the previous Benefit Frequency.

**Copayment** or **Copay** means the designated amount, if any, shown in the Schedule of Benefits each Insured Person must pay to a Provider before benefits are payable for a covered Vision Examination or Vision Materials per Benefit Frequency.

**Comprehensive Eye Examination** means a general evaluation of the complete visual system. The examination includes history, general medical observation, external and ophthalmoscopic examinations, gross visual fields, basic sensorimotor examination and Refraction. It always includes initiation of diagnostic and treatment programs. It may include biomicroscopy, examination with cycloplegia or mydriasis and tonometry, as determined by the Provider. These services may be performed at different sessions, but comprise only one Comprehensive Eye Examination.

**Dependent** means any of the following persons whose coverage under the Policy is in force and has not ended:

1. the Insured's lawful spouse or Domestic Partner;
2. each child of the Insured or the Insured's spouse who is under 26 years of age;
3. each unmarried child at least 26 years of age who is primarily dependent upon the Insured or the Insured's spouse for support and maintenance because the child is incapable of self-sustaining employment by reason of intellectual handicap or physical incapacity.

Dependent includes a step-child, foster child, legally adopted child, child for whom the Insured is a party to a suit for adoption, child who has been placed in the Insured's home for adoption and child under the Insured's legal guardianship, if such child depends primarily on the Insured for support. Dependent will also include a child for whom the Insured is legally required to support due to court or administrative order or divorce decree.

**Domestic Partner** means a same-sex or an opposite-sex adult who is in a committed relationship with the Insured and the Insured and the Domestic Partner are mutually responsible for one another financially and otherwise. The term "spouse," wherever used, will include a Domestic Partner.

**Insured** means an employee of the Policyholder who meets the eligibility requirements as shown in the Policyholder's application, and whose coverage under the Policy is in force and has not ended.

**Insured Person** means the Insured. Insured Person will also include the Insured's Dependents, if enrolled.

**In-Network Provider** means a Provider who has signed a Preferred Provider Agreement with the PPO.

**Medically Necessary Contact Lenses** means that adequate functional vision correction cannot be achieved with spectacles but can be achieved with contact lenses. Conditions that qualify for Medically Necessary Contact Lenses are:

1. Anisometropia of 3D in meridian powers;
2. High Ametropia exceeding -12D or +12D in meridian powers;
3. Keratoconus when vision is not correctable to 20/25 in either eye or both eyes using standard spectacle lenses; or
4. vision impairments, other than Keratoconus, when vision can be improved by two lines on the visual acuity chart when compared to best corrected standard spectacle lenses.

**Out-of-Network Provider** means a Provider, located within the PPO Service Area, but is not an In-Network Provider.

**Policy** means the Vision Insurance Policy issued to the Policyholder.

**Vision Examination** means any eye or visual examination covered under the Policy and shown in the Schedule of Benefits.

**Vision Materials** means those materials provided for visual health and welfare shown in the Schedule of Benefits.

## EFFECTIVE DATES

**Effective Date of Insured’s Insurance.** The Insured’s insurance will be effective as follows:

1. if the Policyholder does not require the Insured to contribute toward the premium for this coverage, the Insured’s insurance will be effective on the date the Insured becomes eligible;
2. if the Policyholder requires the Insured to contribute toward the premium for this coverage, the Insured’s insurance will be effective on the date the Insured becomes eligible, provided the Insured has agreed to pay the required premium contributions; and
3. if the Insured fails to meet the requirements of 2 within 30 days after becoming eligible, the Insured’s coverage will not become effective until the Company has verified that the Insured has met these requirements. The Insured will then be advised of the Insured’s effective date.

**Effective Date of Dependents’ Insurance.** Coverage for Dependents becomes effective on the later of:

1. the date Dependent coverage is first included in the Insured’s coverage; or
2. the premium due date on or after the date the person first qualifies as the Insured’s Dependent. The Insured must agree to pay any premium contribution that may be required prior to coverage becoming effective.

If the Insured and the Insured’s spouse are both Insureds, one Insured may request to be a Dependent spouse of the other. A Dependent child may not be covered by more than one Insured.

**Newborn Children.** A Dependent child born while the Insured’s coverage is in force will be covered from the moment of birth for 31 days or a greater number of days, if elected by the Policyholder. To continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period.

**Adopted Children.** If a Dependent child is placed with the Insured for adoption while the Insured’s coverage is in force, this child will be covered from the date of placement for 31 days or a greater number of days, if elected by the Policyholder. To continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium

contribution that may be required within this period. If proper notice has been given, coverage will continue unless the placement is disrupted prior to legal adoption and the child is removed from placement.

## **BENEFITS**

Benefits are payable for each Insured Person as shown in the Schedule of Benefits for expenses incurred while this insurance is in force.

**In-Network Provider Benefits.** The Insured Person must pay any Copayment or any cost above the Allowance shown in the Schedule of Benefits at the time the covered service is provided. Benefits will be paid to the In-Network Provider who will file a claim with the Company on behalf of the Insured Person.

**Out-of-Network Provider Benefits.** The Insured Person must pay the Out-of-Network Provider the full cost at the time the covered service is provided and file a claim with the Company, unless the Out-of-Network Provider allows assignment of benefits. The Company will pay the Out-of-Network benefits up to the maximum dollar amount shown in the Schedule of Benefits.

## **LIMITATIONS**

Fees charged by a Provider for services other than a covered benefit and any local, state or Federal taxes must be paid in full by the Insured Person to the Provider. Such fees, taxes or materials are not covered under the Policy.

Allowances provide no remaining balance for future use within the same Benefit Frequency.

## **EXCLUSIONS**

No benefits will be paid for services or materials connected with or charges arising from:

1. medical or surgical treatment, services or supplies for the treatment of the eye, eyes or supporting structures;
2. Refraction, when not provided as part of a Comprehensive Eye Examination;
3. services provided as a result of any Workers' Compensation law, or similar legislation, or required by any governmental agency or program whether federal, state or subdivisions thereof;
4. orthoptic or vision training, subnormal vision aids and any associated supplemental testing; Aniseikonic lenses;
5. any Vision Examination or any corrective Vision Materials required by a Policyholder as a condition of employment;
6. safety eyewear;
7. solutions, cleaning products or frame cases;
8. non-prescription sunglasses;
9. plano (non-prescription) lenses;
10. plano (non-prescription) contact lenses;
11. two pair of glasses in lieu of bifocals;
12. electronic vision devices;
13. services rendered after the date an Insured Person ceases to be covered under the Policy, except when Vision Materials ordered before coverage ended are delivered, and the services rendered to the Insured Person are within 31 days from the date of such order; or
14. lost or broken lenses, frames, glasses, or contact lenses that are replaced before the next Benefit Frequency when Vision Materials would next become available.

## TERMINATION OF INSURANCE

The Policyholder or the Company may terminate or cancel the Policy as shown in the Policy.

**For All Insureds.** The Insureds' insurance will cease on the earlier of:

1. the date the Policy ends;
2. the end of the last period for which any required premium contribution agreed to in writing has been made;
3. the date the Insured is no longer eligible for insurance; or
4. the date the Insured's employment with the Policyholder ends. The Policyholder may, at the Policyholder's option, continue insurance for individuals whose employment has ended, if the Policyholder:
  - a. does so without individual selection between Insureds; and
  - b. continues to pay any premium contribution for those individuals.

**For Dependents.** A Dependent's insurance will cease on the earlier of:

1. the date the Insured's coverage ends;
2. the date the Dependent ceases to be an eligible Dependent as defined in the Policyholder's application; or
3. the end of the last period for which any required premium contribution has been made.

A Dependent child will not cease to be a Dependent solely because of age if the child is:

1. not capable of self-sustaining employment due to mental incapacity or physical handicap that began before the age limit was reached; and
2. mainly dependent on the Insured for support.

The Company may ask for proof of the eligible Dependent child's incapacity and dependency within 31 days of the date the Dependent child would otherwise cease to be covered.

The Company may require the same proof again, but will not request it more than once a year after this coverage has been continued for two years. This continued coverage will end on the earlier of:

1. on the date the Policy ends;
2. on the date the incapacity or dependency ends;
3. on the end of the last period for which any required premium contribution for the Dependent child has been made; or
4. 60 days following the date the Company requests proof and such proof is not provided to the Company.

## PREMIUMS

The Company provides insurance coverage in return for premium payment. Premiums are payable to the Company by the Policyholder on behalf of the Insured Person. The Insured Person's first premium is due on the Insured Person's Effective Date. Premiums must be paid to the Company on or before the due date. The initial premium rates are shown in the Policyholder's application.

**Premium Changes.** The Company has the right to change the premium rates on any premium due date as allowed in the Policy. The Company will provide written notice to the Policyholder at least 31 days before the date of the change. The premium rates also may be changed at any time the terms of the Policy are changed.

**Grace Period.** The Policy has a 31-day grace period for the payment of each premium due after the first premium. Coverage will continue in force during the grace period. Coverage will terminate at the end of the grace period if all premiums due are not paid. The Company will require payment of all premiums for the period this coverage continues in force, including the premiums for the grace period. The grace period will not apply if the Company receives written notice of the Policyholder's or the Insured's intent to terminate coverage.

**Unpaid Premium.** When a claim is paid during the grace period, any premium due and unpaid for the Insured Person will be deducted from the claim payment.

## CLAIMS

**Notice of Claim.** Written notice of claim must be given to the Company within 30 days after the occurrence or commencement of any loss covered by the Policy, or as soon as is reasonably possible. Notice given by or for the Insured Person to the Company at the Company's home office, to the Company's authorized administrator or to any of the Company's authorized agents with sufficient information to identify the Insured Person will be deemed as notice to the Company.

**Claim Forms.** The Company will furnish claim forms to the Insured Person within 15 days after notice of claim is received. If the Company does not provide the forms within that time, the Insured Person may send written proof of the occurrence, character and extent of loss for which the claim is made within the time stated in the Policy for filing proof of loss.

**Proof of Loss.** Written proof of loss must be furnished to the Company at the Company's home office within 90 days after the date of the loss. Failure to furnish proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within that time, if the proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will proof of loss be accepted later than one year from the time proof is required.

**Time Payment of Claims.** Any benefit payable under the Policy will be paid within 30 days, upon receipt of due written proof of loss.

**Payment of Claims.** All claims will be paid to the Insured, unless assigned. Any benefits payable on or after the Insured's death will be paid to the Insured's estate.

**Assignment.** Benefits under the Policy may be assigned.

**Right of Recovery.** If payment for claims exceeds the amount for which the Insured Person is eligible under any benefit provision or rider of the Policy, the Company has the right to recover the excess of such payment from the Provider or the Insured, within 18 months from the date the claim is paid.

**Legal Actions.** No Insured Person can bring an action at law or in equity to recover on the Policy until more than 60 days after the date written proof of loss has been furnished according to the Policy. No such action may be brought after the expiration of three years after the time written proof of loss is required to be furnished. If the time limit of the Policy is less than allowed by the laws of the state where the Insured Person resides, the limit is extended to meet the minimum time allowed by such law.

## GENERAL PROVISIONS

**Clerical Error.** Clerical errors or delays in keeping records for the Policy will not deny insurance that would otherwise have been granted, nor extend insurance that otherwise would have ceased, and call for a fair adjustment of premium and benefits to correct the error.

**Conformity to Law.** Any provision of the Policy that is in conflict with the laws of the state in which it is issued is amended to conform with the laws of that state.

**Entire Contract.** The Policy, including any endorsements and riders, the Certificate, the Policyholder's application, which is attached to the Policy when issued, and the eligibility file, if any, are the entire contract between the parties. A copy of the Policy may be examined at the office of the Policyholder during normal business hours. All statements made by the Policyholder or an Insured will, in the absence of fraud, be deemed representations and not warranties, and no such statement will be used in defense to a claim hereunder unless it is contained in a written instrument signed by the Policyholder, the

Insured, the Insured's beneficiary or personal representative, a copy of which has been furnished to the Policyholder, the Insured, the Insured's beneficiary or personal representative.

**Amendments and Changes.** No agent is authorized to alter or amend the Policy, or to waive any conditions or restrictions herein, or to extend the time for paying any premium. The Policy and the Certificate may be amended at any time by mutual agreement between the Policyholder and the Company without the consent of the Insured, but without prejudice to any loss incurred prior to the effective date of the amendment. No person except an Officer of the Company has authority on behalf of the Company to modify the Policy or to waive or lapse any of the Company's rights or requirements.

**Incontestability.** After the Policy has been in force for two years, it can only be contested for nonpayment of premiums. No statement made by an Insured Person, in the absence of fraud, can be used in a contest after the Insured Person's insurance has been in force for two years. No statement an Insured Person makes can be used in a contest unless it is in writing and signed by the Insured Person.

**Insurance Data.** The Policyholder must give the Company the names and ages of all individuals initially insured. The names of persons who later become eligible (whether or not the person becomes insured), and the names of those who cease to be eligible must also be given. The eligibility dates and any other necessary data must be given to the Company so that the premium can be determined.

The Company has the right to audit the Policyholder's books and records as the books and records relate to this insurance. The Company may authorize someone else to perform this audit. Any such inspection may be done at any reasonable time.

**Workers' Compensation.** The Policy is not a Workers' Compensation policy. The Policy does not satisfy any requirement for coverage by Workers' Compensation Insurance.

## NOTICE CONCERNING COVERAGE UNDER THE TENNESSEE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of Tennessee who purchase life insurance, annuities, or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Tennessee Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in the state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The state law that provides for this safety-net coverage is called the Tennessee Life and Health Insurance Guaranty Association Act. The following is a brief summary of this law's coverages, exclusions and limits. **This summary does not cover all provisions of the law or describe all of the conditions and limitations relating to coverage. This summary does not in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.**

### COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, an annuity, or if they are insured under a group insurance contract issued by an insurer authorized to conduct business in Tennessee. Health insurance includes disability and long term care policies. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

### EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guaranty Association if:

- (1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- (2) the insurer was not authorized to do business in this state;
- (3) their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does not provide coverage for:

- (1) any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- (2) any policy of reinsurance (unless an assumption certificate was issued);
- (3) interest rate yields that exceed an average rate;
- (4) dividends;
- (5) credits given in connection with the administration of a policy by a group contractholder;
- (6) employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- (7) unallocated annuity contracts (which give rights to group contractholders, not individuals).

### **LIMITS ON AMOUNT OF COVERAGE**

The Act also limits the amount the Guaranty Association is obligated to pay out. The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. For any one insured life, the Guaranty Association guarantees payments up to a stated maximum no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. These aggregate limits per life are as follows:

- \$300,000 for policies and contracts of all types, except as described in the next point
- \$500,000 for basic hospital, medical and surgical insurance and major medical insurance issued by companies that become insolvent after January 1, 2010

Within these overall limits, the Guaranty Association cannot guarantee payment of benefits greater than the following:

- life insurance death benefits – \$300,000
- life insurance cash surrender value – \$100,000
- present value of annuity benefits for companies insolvent before July 1, 2009 – \$100,000
- present value of annuity benefits for companies insolvent after June 30, 2009 – \$250,000
- health insurance benefits for companies declared insolvent before January 1, 2010 – \$100,000
- health insurance benefits for companies declared insolvent on or after January 1, 2010:
  - \$100,000 for limited benefits and supplemental health coverages
  - \$300,000 for disability
  - \$300,000 for long-term care insurance
  - \$500,000 for basic hospital, medical and surgical insurance or major medical insurance

\*\*\*\*\*

The Tennessee Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Tennessee. You should not rely on coverage by the Tennessee Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.
